

Blue-Mobile Easy for AUS 32 (AdBlue®) [PG 3]

Specially adapted version of the Mobile Easy suitable for storing and dispensing urea solution AUS32 / DEF / AdBlue®. Highly practical solution for refilling vehicles with SCR catalyst systems in the field. Urea solution is not classed as hazardous, so no ADR approval needed.

- single skin container constructed from polyethylene approved for AdBlue®
- moulded recesses for strapping during transport
- integral nozzle holder
- large filling aperture with screw cap
- integral breather valve
- integral forklift apertures
- integral carry handles
- self priming 12V electric chemical pump approx 30l/min, 4 m fly leads
- 4 m delivery hose
- manual nozzle or automatic nozzle

NEW

① Blue-Mobile Easy 125l with electric pump

② Blue-Mobile Easy 200l with flap lid

③ Blue-Mobile Easy 430l with flap lid

④ Blue-Mobile Easy 600l with flap lid

Blue-Mobile Easy

Designation	External dimensions cm (l x w x h)	Weight approx. kg	Order no.
① Blue-Mobile Easy 125 l • electric pump 12 V • manual polymer nozzle	80 x 60 x 45	21	10168
Blue-Mobile Easy 125 l • electric pump 24 V • manual polymer nozzle	80 x 60 x 45	21	10169
Blue-Mobile Easy 125 l • electric pump 12 V • automatic polymer nozzle	80 x 60 x 45	22	10195
Blue-Mobile Easy 125 l • electric pump 24 V • automatic polymer nozzle	80 x 60 x 45	22	10196
② Blue-Mobile Easy 200 l • electric pump 12 V • manual polymer nozzle	80 x 60 x 59	22	10170
Blue-Mobile Easy 200 l • electric pump 24 V • manual polymer nozzle	80 x 60 x 59	22	10171
Blue-Mobile Easy 200 l • electric pump 12 V • automatic polymer nozzle	80 x 60 x 59	23	10197
Blue-Mobile Easy 200 l • electric pump 24 V • automatic polymer nozzle	80 x 60 x 59	23	10198
③ Blue-Mobile Easy 430 l • electric pump 12 V • manual polymer nozzle	116 x 76 x 73	42	10172
Blue-Mobile Easy 430 l • electric pump 24 V • manual polymer nozzle	116 x 76 x 73	42	10173
Blue-Mobile Easy 430 l • electric pump 12 V • automatic polymer nozzle	116 x 76 x 73	43	10199
Blue-Mobile Easy 430 l • electric pump 24 V • automatic polymer nozzle	116 x 76 x 73	43	10200
④ Blue-Mobile Easy 600 l • box with crane loops • electric pump 12 V • automatic polymer nozzle	116 x 80 x 102	51	10174
Blue-Mobile Easy 600 l • box with crane loops • electric pump 24 V • automatic polymer nozzle	116 x 80 x 102	51	10175

Accessories for Blue-Mobile Easy

Designation	Weight approx. kg	Order no.
 Flap lid for Blue-Mobile Easy 125 l + 200 l, orange	4	8963
 Flap lid for Blue-Mobile Easy 430 l + 600 l, orange (can be hinged on right or left)	13	8833
 Oil-resistant anti-slip mat for DT-Mobile Easy 125 l and 200 l, oil- and weather-resistant	0.3	10166
 Oil-resistant anti-slip mat for DT-Mobile Easy 430 l and 600 l, oil- and weather-resistant	0.6	10167
 K24 digital flow meter, plastic, 6 - 100 l/min, 1" male thread	0.5	8609
 90° elbow with union nuts, required for attaching the K24 meter	0.05	8732
 Insulation pack for Blue-Mobile Easy 125 l + 200 l, including CEMbox 400, grey (order no. 8954), comprising 30 mm insulation panels on the walls and 20 mm on the floor. Space for battery (not included in the scope of delivery) for supplying power to the pump.	33	10008
