

ZONE

COB LED rechargeable headlamp

As opposed to all other headlamps providing a beam of light, ZONE is designed to provide optimum work light illuminating your entire work area.

Supplied with the newest COB LED technology, the ZONE provides an extremely powerful illumination which spreads the uniform light to the maximum and lightens up your entire field of view. With ZONE you avoid turning the head to illuminate your actual workspace from a limited headlamp beam.

ZONE is designed for professional use. It is sturdy and has a low weight of only 66g. With its attractive price, ZONE will become another SCANGRIP bestseller.

- Lights up your entire field of view
- New rechargeable battery technology
- Designed for professional work
- Low weight (only 66g)
- Easy adjustable headband (25mm)

2-step operating option

- Step 1 = 50% light output
- Step 2 = 100% light output

Available from August 2016
